DOCK & DECK LIGHTS

Stainless Steel or Bronze Housing

Nautilus *Surface Mount Piling Light*

Small, clean, and versatile, Nautilus is perfect for pilings, posts, pathways, and wall-wash applications. Surface mountable and available in a polished 316 stainless steel or polished bronze finish. Choose from warm white or RGBW full-color output. Compatible with Mantis and Kraken systems (IP67 compliant).

SKU	HOUSING	COLOR OUTPUT	CRI	CCT	VOLTAGE	12VDC	24VDC	LUMENS
101631	Stainless Steel	Spectrum (cool wht)	70+	5000	10-30vDC	440mA	240mA	360
101632	Bronze	Spectrum (cool wht)	70+	5000	10-30vDC	440mA	240mA	360
101670	Stainless Steel	Spectrum (warm wht)	80+	3000	10-30vDC	440mA	240mA	255
101671	Bronze	Spectrum (warm wht)	80+	3000	10-30vDC	440mA	240mA	255
101633	Stainless Steel	White (warm wht)	80+	3000	10-30vDC	440mA	240mA	255
101634	Bronze	White (warm wht)	80+	3000	10-30vDC	440mA	240mA	255

Scallop *Surface Mount Deck Light*

With a sleek, low profile design, the Scallop Pathway Light is the world's first ADA-compliant, PLI compatible, dock and pathway light. The carefully engineered beam-angle minimizes glare while cleanly illuminating walkway surfaces. Available in a polished 316 stainless steel or polished bronze finish. Choose from warm white or RGBW full-color output. Compatible with Mantis and Kraken systems (IP67 compliant).

SKU	HOUSING	COLOR OUTPUT	CRI	CCT	VOLTAGE	12VDC	24VDC	LUMENS
101627	Stainless Steel	Spectrum (cool wht)	70+	5000	10-30vDC	340mA	190mA	100
101628	Bronze	Spectrum (cool wht)	70+	5000	10-30vDC	340mA	190mA	100
101672	Stainless Steel	Spectrum (warm wht)	80+	3000	10-30vDC	340mA	190mA	80
101673	Bronze	Spectrum (warm wht)	80+	3000	10-30vDC	340mA	190mA	80
101629	Stainless Steel	White (warm wht)	80+	3000	10-30vDC	340mA	190mA	80
101630	Bronze	White (warm wht)	80+	3000	10-30vDC	340mA	190mA	80

Stainless Steel or Bronze Housing

Perimeter *Light*

With more than 1,000 true lumens and an optical system designed to spread light wide and evenly, the Perimeter light is uniquely suited as a docking light or for even perimeter illumination. Aluminum housing and impact-resistant plastic window means years of trouble free service even in waterfront environments

White or Black Housing

SKU	FINISH	COLOR OUTPUT	CRI	CCT	VOLTAGE	12VDC	24VDC	LUMENS
101475	White	White Non-Dimming (Non TTP)	70+	5000	10-30vDC	1.3A	600mA	1000
101476	White	White Dimming, Blue Dimming	70+	5000	10-30vDC	1.3A	600mA	1000
101399	Black	White Non-Dimming (Non TTP)	70+	5000	10-30vDC	1.3A	600mA	1000
101400	Black	White Dimming, Blue Dimming	70+	5000	10-30vDC	1.3A	600mA	1000

DOCK & DECK LIGHTS

Lumitec's Dock and Deck lights provide the performance, reliability and overall good looks that only the world leader in marine lighting could deliver. With Plug 'N' Play solutions for the do-it-yourselfer and customizable modules for more demanding applications, Lumitec's Dock and Deck lighting dramatically transforms outdoor waterfront spaces.

- Choose a convenient Plug 'N' Play kit or build your own completely custom system.
- Leverages the technology and experience of our market-leading SeaBlaze series of underwater lights.
- 2,000-6,000 lumens output per light.
- PLI enabled - Poco compatible (Kraken system only).
- Innovative zip mount universal mounting system.

MANTIS: Plug 'N' Play Kit

MANTIS DOCK LIGHTING KIT

MANTIS KIT LIGHT

Output:	Spectrum
Lumens:	2000+
Voltage:	10-30vDC
12vDC Amps:	2.1A
24vDC Amps:	1.1A
CCT:	6500K
CRI:	70+

SKU	DESCRIPTION	Color Output
101525	Mantis Dock Light Kit (3-lights)	Spectrum
101526	Mantis Dock Light Add-on Light	Spectrum
101527	Mantis Dock Light 50' Cable Extension	N/A

Dock lighting systems leverages SeaBlaze Quattro underwater light technology.

What is included in the Mantis kit:
- 3 Full-Color RGBW Dock Lights with integrated 25' cable
- Innovative zip-mount universal light mounting system
- AC to DC Power Supply in weatherproof enclosure
- All Required Mounting Hardware

Option to add an extra light to the kit with 4 light maximum.

KRAKEN: Modular System

KRAKEN DOCK LIGHTING SYSTEM

KRAKEN SYSTEM LIGHT

Output:	Spectrum
Lumens:	6000+
Voltage:	10-30vDC
12vDC Amps:	5A
24vDC Amps:	2.5A
CCT:	6500K
CRI:	70+

SKU	DESCRIPTION	Color Output
101636	Kraken Dock Light	Spectrum
101637	Kraken Dock Light	White/Blue
101638	Kraken Command Box	With Poco
101680	Kraken Secondary Box	No Poco

Dock lighting systems leverages SeaBlazeX2 underwater light technology.

The Poco System is included with the Kraken Command Box or is available for purchased separately - SKU# 101599
